# SERVICES

## INTERIOR ARCHITECTURE

The Atelier's interior architecture involvement starts at the inception of a project maintaining a direct approach throughout the project's duration with a tailor-made service that caters to the specific needs of the client.

## INTERIOR DESIGN

Our interior design services are holistic and comprehensive including a selection of materials, furniture, lighting and project coordination.

## FURNITURE DESIGN

We collaborate with our network of suppliers, artisans, artists and craftsmen - people who are dedicated to innovation and quality.

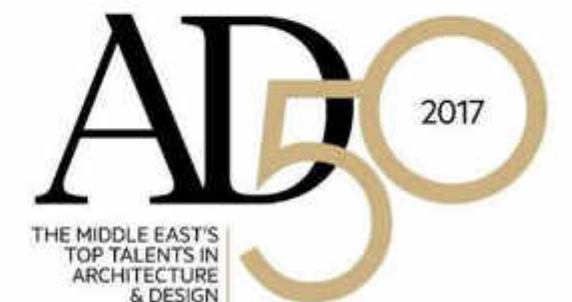

## AWARD & ACHIEVEMENTS

We integrate the business objectives of the clients into strategic design solutions with an approach that is both creative and pragmatic.

Born in Portugal, Sneha holds a Master Degree in Architecture from the Lusiada University of Porto and specialized in Interior Design at New York University. Having worked on projects globally with renowned architecture and design consultants in Lisbon and Dubai prior to founding the Atelier, Sneha helms the firm with true entrepreneurial vision. The Atelier won the CID Awards Residential category, an International Property Award for Apartment Design and Sneha won the CID Designer of the Year award as well as the Best Emerging Designer at Harper's Bazaar Interior Awards. The Atelier also won the award for Design Entrepreneur of the Year and was featured in the Architectural Digest Middle East AD 50, and CID Power 50 list that recognizes talent in the region.
